THE SUPERINTENDENT SPEAKS -

Dear Graduate:

This is your graduation day. I congratulate you on the opportunities you have had. I hope that each of you will succeed in the best sense.

I know you are wise enough to know that education does not end with schooling. Life, your job or profession, your family and social relationship are the greatest educators. Wisdom grows with experience, and experience increases after school is over.

I trust that York School has made your thinking more sound, and you more devoted to your God and your country.

Sincerely,

A.W. Fishbaugh

The Dukes had a very successful season this year. They won 10 and lost 8. The Dukes had several well-played games, and also a few poor ones. However, they were always in the game, as the scores plainly show.

Everyone was a little disappointed at the Dukes' showing in the tournament, but they can always look forward to the next season.

Next year should be another successful year, as there is only one member of the team graduating.

During the year, the team also sponsored a television raffle.

Gone away from these windswept hills
From this spellbound lake and shore
From this valley here
This park and church
This friendly open door?
Gone--

Gone?

SENIORS THROUGH THE YEARS

CLASS HISTORY

Twenty-three students entered the first grade at York under the direction of Mrs. Mildred Leis.

In the second grade under Mrs. Nagle, we had 19 students. Sydney Krugh joined us this year.

Mrs. Zinn guided us in our third grade with 18 students under her wing.

Remember the fourth grade under Mrs. Heffner. There were 17 students this year. It seems as though Mrs. Heffner liked to spank students and throw erasers.

Mr. D. Edwin Jones and Mrs. Heffner instructed us in our fifth year of school. There were 18 students this year.

There were 15 students under the leadership of Mrs. Plikerd in our sixth year of school.

When we reached Junior High, we thought we were really getting to be big stuff. There were 13 students sponsored by Mrs. Thompson.

Mr. Stoner was our sponsor in the eighth grade. There were 11 students this year.

We were quite green when we entered High School as Freshmen. We soon found our way around and kept up with everyone else. Mr. Hanson was our sponsor. We had charge of the noon movies and also sponsored a cake raffle at a basketball game. There were 11 students to do the work.

Mrs. Maurer guided us in our Sophomore year. e numbered nine. This year we sponsored a box social and put on a ghost skit. We sponsored a cake raffle and had charge of the check room at basketball games. We also had a Valentine dinner.

By the time we were Juniors we were getting excited about the Prom. We held several parties in preparing for the Prom. Our theme was Garden of Friendship. We had concessions at basketball games, served the Christmas dinner, and put on the class play "Little Acorns."

Finally the highlight of school life came, our Senior year. This year we put on "Me and My Shadow" as our play. We had concessions at basketball games and served the Thanksgiving dinner. We sold magazines and various things to raise money for our trip.

We climaxed our days at York by taking a trip to Washington D.C. and New York.
